John attended Western Washington University, and worked Summers in Alaska, and also worked for Uniflight. He enlisted in the U.S. Army, where he served as a Generator Operator. After his enlistment, he returned to the island, and worked with his Dad, Earl, and Uncle, Ray McFarland, in GraMac Construction, and later Granger Construction.

### New England Clam Chowder, by Jean Hauck

Winning recipe at the annual Soup Festival at the November Pomona Meeting

1 T unsalted butter  
1/4 lb slab bacon or salt pork, diced

1 large onion, diced  
3 cloves garlic, peeled and minced  
4 large ribs celery, cleaned and diced  
1 green pepper, diced  
3 sprigs thyme, minced or 1/2 t. dried  
1/2 c flour (to your taste)

46 oz. Ocean Clam juice  
46 oz. Chopped Ocean Clams, juice only  
(separate and set aside chopped clam meat)  
1—2 t. red pepper flakes, to taste  
2 T Worcestershire Sauce

1 1/2 lb Yukon Gold or red potatoes, 1/2" cubed  
1 large Russet baking potato, smaller cubes  
2 bay leaves

2 c milk (I usually also add a can of evap. milk)  
2 c heavy cream  
1/4 c chopped parsley (optional)  
salt and pepper to taste

1. Add **butter**, and turn heat to medium-low. Add **bacon / pork**, and cook, stirring occasionally, until the fat has rendered and the pork has started to brown, approximately 5 to 7 minutes. Use a slotted spoon to remove pork/bacon from fat, and set aside.

2. Add **onions, garlic, celery, green peppers, and thyme** to the fat, and cook, stirring frequently, until the vegetables are soft but not brown, approximately 10 to 15 minutes. Stir in **flour** and cook for 1 minute.

3. Gradually whisk in **clam juice** and **reserved clam juice**. Add the **red-pepper** and **Worcestershire Sauce**.

4. Add **potatoes** and **bay leaves** and bring to a boil. Partly cover the pot, and simmer gently until potatoes are tender, approximately 20 to 25 minutes. When tender, add reserved **chopped clams** and **pork/ bacon**, stirring to combine.

5. Stir in **milk** and **cream** and bring to simmer. Remove thyme/bay leaves and stir in **parsley**, and season with **salt and pepper** to taste. Serve with oyster crackers.

### LUMMI ISLAND GRANGE (con't)

In 1977 John joined the Lummi Island Volunteer Fire Department, where he has served as a Fire-fighter and Emergency Medical Technician. He then completed his degree at Western Washington University, and was accepted into the Skagit Valley Nursing Program, and became a Licensed Practical Nurse, and Registered Nurse. He then worked at St. Lukes Hospital in the Medical-Surgery, Intensive Care Unit, and Critical Care Unit Emergency Room.

This work led him to become a Flight Nurse for Airlift Northwest, which he continued until his retirement in January, 2019. In John's continuing roll in support of our Fire Department, he now serves as Chief, of Emergency Medical Services.

Over the past 42 years, John has aided Islanders in medical emergencies, saved lives, alleviated pain, counseled loved ones, and unselfishly given his time and efforts in making our island a safer, and better place to live.

After becoming a Registered Nurse, John received an Officer's Commission in the U.S. Army Reserve, and served a total of 28 years, retiring as Lieutenant Colonel. He served on active duty in Saudi Arabia, during the Desert Storm military conflict, and luckily was able to dodge an Iraqi Scud missile, as he served the medical needs of our troops there.

John's contributions to the Lummi Island community, the wider Whatcom County community, and to this Nation are truly remarkable. With over 42 years serving the island in the Lummi Island Fire Department, 28 years of service to the Nation with the U.S. Army, and serving the critical emergency care of patients across the Northwest as a helicopter Flight Nurse, we commend and honor John Granger, as our Lummi Island Grange Citizen of the Year for 2019.
