

## NOTE TO PARENTS

The daily activities of Grange camp are designed to help kids enjoy the experience of a camping program; to learn about the Grange family; and above all, to have fun!

## HEALTH AND SAFETY

Every precaution will be taken to safeguard your child. This is the first responsibility and concern of the camp staff. Understand that participation at camp is at will and that it is terminable at any time with or without cause by either party. No refunds will be given after July 1.

There is always something to do at Junior Grange Camp. The daily program includes wholesome activities, healthy exercise, and a fun camping experience. The campers will learn about the Grange and make many new friends. Throughout the day, they will be encouraged to become leaders and have fun. It is not necessary for the camper or their parents to be members of the Grange, but if you are not a member we encourage you to talk to one of the camp staff members about learning more about this family organization.
