HEALTH AND SAFETY

Every precaution will be taken to safeguard your child. This is the first responsibility and concern of the camp staff. Understand that participation at camp is at will and that it is terminable at any time with or without cause by either party. No refunds will be given after July 1.

CAMP LOCATION

Camp Morehead is located at 27600 Sandridge Road, Ocean Park WA. Take your favorite route to the Long Beach Peninsula. Just before you get to Seaview, turn right at the light onto Sandridge Road. Proceed 11 miles to Nahcotta. The camp is directly north of Nahcotta on the east side of Sandridge Road.

There is always something to do at Junior Grange Camp. The daily program includes wholesome activities, healthy exercise, and a fun camping experience. The campers will learn about the Grange and make many new friends. Throughout the day, they will be encouraged to become leaders and have fun. It is not necessary for the camper not their parents to be members of the Grange, but if you are not a member we encourage you to talk to one of the camp staff members about learning more about this family organization.
