Grange Brothers and Sisters:

The National Grange is continuing to offer bonding insurance for each Grange. Information on the bonding insurance from the National Grange is included in this mailing.

Upon selecting your amount of insurance, please complete the form below and return it with your payment to the State Grange Office. Checks should be made payable to the Washington State Grange. We will forward the first set of payments to the National Grange on December 31, 2020. For the month of January, we will be forwarding weekly payments to national. Beginning in February, we will forward payments monthly. All bonding payments must be received by March 15 so we can meet the March 31 deadline as established by the bonding company. The bonding coverage is for the 2022 calendar year. Coverage will start when the State Grange forwards your payment and information to the National Grange.

Upon receipt of the form below and your payment, we will send you a confirmation receipt, listing coverage level, payment amount, and the date your payment was forwarded to the National Grange.

It is my desire that your Grange will take advantage of this program and benefit from the opportunity provided for as much of the year as possible.

Fraternally,

Tom Gwin  
State President
