Dear Grange Youth Enthusiast:

Following the precepts of our order, Grange youth look to grow and develop into the leaders of the Grange for today and tomorrow.

The National Grange Youth Department is a valuable tool to encourage youth between the ages of 14 and 21 and young adults between the ages of 22 and 35 to make an impact in their community and their Grange.

We have a wide range of contests, awards and achievement awards for Grange leaders to utilize to grow their program.

The goal of each award is to help youth grow and understand how the youth department weaves into the other departments and programs of the Grange. These awards are to help you build a strong youth program that lets youth utilize their skills and talents to improve their Grange, community and country.

The National Grange Youth Department achievement awards, youth contests and other youth programs strive to recognize the accomplishments of our youth and young adults at the subordinate, Pomona, state and national level. I would encourage you to look at the programs and see how you can utilize them within your Youth program.

The National Grange Youth Department remains committed to recognizing Youth achievements through its Youth recognition programs – National Youth Officer Team, Horizon Leadership Award or Legislative Experience. The achievement award program provides Subordinate, Pomona and State Granges the opportunity to formally recognize the efforts of Youth.

If you have any questions, please do not hesitate to contact me.

Fraternally yours in Grange,

Charlene M. Shupp Espenshade

Grange Youth Leadership Exchange

New for 2019

Submission Deadline: March 1

The Grange's fraternal bonds connect our members from coast to coast. To strengthen the bonds of state Grange youth departments, the National Grange Youth Department is launching its leadership exchange program.

This program is designed to have a team of Grange youth and young adults travel with a team leader to another state to experience a Grange event in another state or provide assistance to a Grange youth department for a state-level project. The Grangers will also have the opportunity to explore the host state.

Exchange programs provide opportunities to travel, sightsee, meet new people, make new friends, explore expanding interests, experience how others live and see other Grangers in action. Exchange programs, properly planned and conducted, can be an important educational experience. Once the forms are received, the National Grange Youth Development Director will work with interested states to pair up states. Once paired, it will be the responsibility of the two states to finalize when and what activities will be included in the exchange.

To participate:

1. The State Grange Youth Director or Master will submit an interest form to the National Grange Youth Director on March 1. The list will include members of the youth leadership team and a team leader.
2. The team leader must be at least 22 years old and appointed by the state Master and/or youth director. State youth directors can serve as the team leader.
3. Team members are responsible for raising funds to cover their travel costs, including housing, meals, travel and other related costs.
4. Host states will be responsible for organizing at least one fun event for the visiting team to experience the state outside of a Grange function. It could be to visit a state capitol, popular landmark, or other location.
5. Participants should be involved in the design and implementation of the exchange.
6. Events youth could assist with include, but are not limited to, youth camps, junior camps, state sessions, Grange lock-ins, teen weekends or another state-level event that includes youth participation. The teams can assist with workshops, interactive activities or other activities the host state believes will benefit both states.
7. Members are expected to participate in the majority of leadership team functions.

Grange Jeopardy

Grange Jeopardy is an exciting event that brings together youth and young adults interested in Grange trivia and history. Individuals have the opportunity to gain knowledge about the Grange, its history and impact on rural America. This factsheet serves as a guideline to prepare Grangers for a Grange Jeopardy competition.

Background

The Jeopardy program is set up for anyone who has an interest in Grange history, trivia and structure. Grange Jeopardy gives you the opportunity to expand your knowledge of the organization in many different areas, while enhancing your critical thinking, problem solving, communications and listening skills. The competition is for individuals between the ages of 14-35, as of January 1 of the year competing.

Preparation

In Jeopardy, individuals compete against each other earning points for correctly answering questions about the Grange and rural issues. Questions can be obtained by visiting www.nationalgrangeyouth.org to review past national trivia challenges or using Grange resources such as the current edition of the Grange blue manual, Grange publications, websites, Grange Digest, Grange bylaws, and history books.

Selection

A state selection system will be set up to determine who will compete at the regional level. The winner will be selected by a written Grange knowledge test or state jeopardy contest, developed by the state youth department or a state-level trivia test is available from the National Grange Youth department. The state winner is based on the highest test score. State youth/young adult directors will score the tests.

Each state can send up to three contestants to the regional contest. The regional contest will be conducted at each regional youth and/ or leader's conference. The regional contest will follow the same format as the national contest with several semi-final rounds, based on the number of entrants and one final round. A minimum of 2 per round advances to the final round. In the case of only one semi-final round, the top six contestants will advance.

National contest description is as follows:

The national contest accepts a maximum three contestants from each region. A minimum of 2 per round advance to the semi-final round. In the case of only one semi-final round, the top six contestants will advance. There will be up to eight per semifinal round and one final round with up to 8 participants.

Each round consists of six categories, each with five questions, with a point value of 100, 200, 300, 400 and 500 points. A maximum of eight players compete at one time.

In round 1, all contestants participate. A random selection of who selects the first question takes place. Contestants wishing to answer a question must activate the signaling device. Once a contestant signals to answer the question, the question will be covered. Answers are in the form of a question. If answered incorrectly, the question will reappear for another contestant to answer. Contestants have 10 seconds to signal after the question is completed. Points are awarded for correctly answering questions. There

are deductions for wrong answers, answering without signaling, not waiting to be recognized and failing to give an answer. The amount of points deducted is determined by the point value of the question. The player with the last correct answer gets to select the next category and point value.

An individual's score must be greater than zero to advance to any final round of play. The top contestants (up to 4 in each heat) from round 1 will advance to play a second round. At the end of round 2, each contestant will have the opportunity to answer a "Final Jeopardy" question, providing they have positive points. The answer will be in written form. Contestants can wager all, part or none of the points they have accumulated. Rankings are based on top scores. The contestant with the most points is declared the champion.

Please note: All trivia questions and answers prepared for the contest are final and cannot be challenged at the time of the contest.

Prizes

Regional contest winners will receive:

- First Place: \$25 regional winners; an Amazon gift card winner
- Second Place: \$20 regional winners; \$100 winner

Apathy Not Allowed

Updated for 2019

Apathy Not Allowed is a joint venture between the National Grange's Youth and Legislative Departments that seeks to educate Grange Youth on crucial legislative matters affecting them and their Granges. Subsequently, involved Youth will be educated on the many ways in which Grangers and citizens alike can advocate on issues they feel important to shape public policy and communities in which they live.

Among the world's developed countries, the United States ranks second from the bottom in regards to voter turnout; a position that is entirely unacceptable if we are to grow as a nation and fix the problems we are currently facing. Political apathy is significantly higher among teens and young adults, who see little relation between government action and their daily lives. Thus, Apathy Not Allowed will work to engage our Grange Youth and get them involved as responsible citizens with a firm grasp on their civic duties as members of a free society.

Just as our Grange Declaration of Purposes suggests, we will ensure that our Grange Youth "take a proper interest in the politics of one's country" so they might become the informed and involved citizens required to move America forward and to guarantee a better society for future generations.

2019 Regional Public Speaking Competition

(Age Categories Updated)

There will be three categories this year along with three age divisions as follows:

1. Youth: 14-21 years of age
2. Young adult 22-35 years of age
3. Adult 36+ years of age.

The age of the contestant as of January 1 determines the age group.

For state, regional and national public speaking contests, props will be allowed, but must be appropriately sized for the room. Points can be deducted for props.

Category A: Prepared speech

Contestant's choice of topic – Contestants in Category A will be required to answer an impromptu question at the end of their speech. The questions will be related to the contestant's chosen speech topic. This will include William Ireland Communication Achievement Award speeches. Speeches must be a minimum of 3 minutes and a maximum of 5 minutes. At National, regional winners' speeches will be judged and the best two will present at the Evening of Excellence.

Category B: Radio Spot Contest

A radio spot is an advertisement promoting the Grange. Pretend you're a "DJ" and you're doing a commercial for the Grange. Can include one or two people in the radio spot.

Radio spots should be exactly 60 seconds in length and may include a musical or sound effect introduction and/or background, but may not include a spoken introduction or "tag" by another other than the contestant. If music or sound effect is used, the contestant must provide and operate the sound-making device. The contestant will provide a complete written script (including notations about music/sound effects) to the timekeeper to aid in timing accuracy.

Musical/sound effect introductions and endings are considered a part of the radio spot and must not cause the 60 second time limit to be exceeded. The spot should relate to the Grange, be original and created by the contestant.

Category C: Impromptu Speeches

An impromptu speech is delivered without preparation or thought ahead of time. No note cards are used, and topics are generally drawn.

- We hope that by establishing an impromptu speech category that members will build confidence and in the future participate in the prepared speeches or the radio speech category.
- Impromptu speeches should be at least one minute in length and not longer than 5 minutes.
- Time keeper will hold up hand when the 1 minute mark has been reached and then 4.30 minute mark has been reached so speaker knows when he/she can stop.
- Participants will draw two topics, select their choice of the two and return the other one.
- Competition will be held at the Regional Conferences – You need not have participated in a state competition in order to participate.
- Participants must notify National Director of intent to enter prior to the beginning of the contest.
