

STATE GRANGE SCHEDULES ZOOM TRAINING SESSIONS

As the State Grange Directors will not be attending the Grange Resource and Information Training sessions, a series of Zoom meetings has been developed as a supplement to the face-to-face Grange Resource and Leadership conferences. This will allow Grange members across the state to communicate directly with the state officers/directors to learn about the current programs.

All Zoom meetings are open to all Grange members and will allow multiple members from a Grange the opportunity to utilize the resources available to conduct successful projects and activities within their local Granges. Additional meetings will be announced as the dates become available.

Login information is the same for each meeting and is listed at the end of this article.
