

# MISSION & PURPOSE

The mission and purpose of the Grange Youth Fair Program is to provide an opportunity for young Grange members to participate in an educational setting designed to increase confidence, strengthen character, and teach the importance of self-discipline. The program encourages learning opportunities with all generations. The adults serve as leaders and mentors, while the youth exhibit the results of their projects at Fairs and Youth Shows.

The focus of the state program is on Agricultural Education. Additional projects are left to the discretion of each Community Grange
