I picked my \_\_\_\_\_ Named \_\_\_\_\_  
Animal Species Animal Name

up on \_\_\_\_\_ My animal weighed \_\_\_\_\_ lbs. at pick up.  
Date Animal Weight (estimation is ok)

I want the weight of my animal for fair to be \_\_\_\_\_ lbs.  
Finish Weight

I estimate that it will take a total of \_\_\_\_\_ lbs. / Oz  
Amount of Feed Circle One

of feed to the end of my animal project.

## Weight of Animal

Date	Weight	Days Between Weighing	Weight Total
Beginning Weight			
End Weight			

Did your animal make weight for fair?  Yes  No

Why do you think your animal did or did not make weight?

# Project Summary

To be completed before record book submission. Recommended that each box be completed with a minimum of two sentences.

For Beginners, any provided information is sufficient, words, drawings, ect.

I chose this project because....

--

I was eager to learn...

--

What I actually learned about my project:

--

I plan to use what I have learned in the future by...

In the future I would do differently:

Why I will or will not continue with this species next year:

# Project Photos

Draw or insert a photo of when you first got your project. Please provide specific markings or tags in your photo or drawing.

My Project in the Beginning Looked Like:

My Project Towards the End Looked Like:

# More Project Photos

Note: Feel Free to add more photos as desired.
